The Lost Kitten

Yesterday afternoon, Sara was walking home from her tuition class. The weather was hot and she was feeling tired. As she walked along the walkway, she heard a soft meow coming from a dustbin.

"what is that sound?" Sara wondered. She looked around and saw a small kitten inside the dustbin. The kitten was wet, dirty and shaking.

"oh poor thing!" Sara said. "you must be hungry." She quickly took the kitten out and wrap it in her handkerchief.

Then, she brought the kitten home. Her mother help her to give the kitten a warm bath and some milk. The kitten drank the milk hungrily and fell asleep on a soft towel.

The next day, Sara made some posters and put it around the neighbourhood. She hop someone would claim the kitten.
