LIFE BETTER WITH LITTLE TREATS

- **Strawberry Beats**

(*)

Life is better ( ) little treats

A ( ) drink, a walk, a ( ) breeze

The simple things that ( ) you up

Life is ( ) with these

Life is better with little ( )

You don't need ( ) to feel alive

A ( ) hour and easy yes

And ( ) just arrives

[Verse 2]

You've been ( ) on the big things

A ( ) meant to change it all

But look ( ) what's already here

And it's ( ) small

The ordinary holds a quiet ( )

In the middle ( ) your day

A favourite song ( ) on the radio

And suddenly you're ( )

[Pre-Chorus]

It doesn't take a ( ) moment

For a ( ) kind of day

All the sweetness you've ( ) looking for

LIVEWORKSHEETS

Was waiting ( ) this way

(*)

[Bridge]

Not in the grand ( )

Not in the big ( )

( ) in the little sweetness

Right here in ( ) hands

A treat, a ( )

Just ( ) you

That's how you ( ) you're living true
