Tenses

One time I (go) ……..……. on a blind date with a man who (

start)..... working in Cathy's office two weeks before. . That (be)

……..……. a big mistake! We (go) ……..…….

to a cocktail bar. There (be) ……..……. only one free table, in the

darkest corner of the bar. I (drink) ……..……. a soda but the man (talk)

……..……. me out of it. He (ask) ……..……. me if I (like)

……..……. to drink a screwdriver. Well, I knew there (be)

……..……. a tool called screwdriver, but I (never-hear)

……..……. of a drink called that before. He (explain)

……..……. that it was made with vodka and orange juice. I (say)

……..……. I (have) ……..……. a coke instead but he (talk)

……. me into having the screwdriver. By the time I (finish)

……..……. my drink, I (already - get) ……..…. really dizzy.

I (not-feel) ……..……. well so I (go)..... to the

restroom. While I (come) ……..……. back to the table, I

see).....my "date" leaving the table and running away taking my purse with him. Of course, he (not-pay).....for the drinks before he (leave) …….…… . When I (feel) ……..…. better I (call) ……..…… the waiter and I (explain) ……..…. what (happen)……...…….. . While he (listen) ……..……. to me, he (burst) .....out laughing. I (feel) ……..……. so ridiculous! He (believe) ……..……. everything I (tell) ……..…… him and I promised I (pay) ……..……. for the drinks the next day. He (call) .....a taxi for me and I (go)……..……. back home. Since I (have) ..... that embarrassing experience, I (never-accept)..... a blind date again.
