

1K Module : Question : Studying Tips

Drag the coloured boxes and drop it as the elaboration.

Content Points	Topic Sentence	Elaboration
1 st Tip	 Firstly, schedule your time.	This question paper will help you to be familiar with the format of the real examination.
2 nd Tip	 Secondly, use visual aids while studying.	I used to wake up early at 4 am to study. It is the most suitable time for me because lack of distraction. Thus, I can focus on my study.
3 rd Tip	 Thirdly, do more practises on past year question papers.	Visual aids like diagram and flow chart are helpful during revision. You can also draw a mind map for the important points to help you revise better.

4th Tip	 Then, don't forget to take some breaks during the studies.	You can include more fish, nuts and seeds in your meal. Don't forget to drink a lot of water to avoid dehydration.
5th Tip	 Eating nutritious food can also help concentration and memory too.	You can form a group study of three or four members. This will help you to share answers and discuss matters related to study.
6th Tip	 Lastly, organise a study group.	Our brains need rest too. This can be done by doing some recreational activities like jogging and cycling.
