1. **What it looks like**
   e.g. It is big. It is round. It is blue.
2. **What it is made of**
   e.g. It is made of plastic.
3. **What it is like**
   e.g. It is light and easy to carry.
4. **What makes it special**
   e.g. It helps us to keep our things organized.

HOW TO PLAY

1. Each group takes turns to roll the dice.
2. Move your pawn forward according to the number.
3. When you land on a space, pick the object and describe it using the 4-step format.
4. The other groups listen and give feedback.
5. The first group to reach FINISH is the winner!

TIPS
