Three girls talk about an accident they had

Naomi

This morning I had an accident while playing football. I tried to kick the ball into the goal but I fell over and broke my leg. The teacher called an ambulance and I was taken to hospital. The doctor has said that I will have to stay here for three days. Tomorrow the doctor will repair the break in my leg. The doctor said that when I get home, I must rest my leg for at least two more weeks.

Lisa

Last week I was playing at home with my best friend. We were not playing any sport, but we were running up and down the stairs when I fell down. I hit my teeth badly. My mum took me straight to the dentist's in her car; she didn't have to take me to the hospital. I didn't need an ambulance. The dentist checked my teeth and told me to get some medicine for the pain. He also said that I might have a toothache for a week.

Mary Lu

I went to the cinema with my parents to see the latest comedy film. It was very hot in the cinema and I started to feel sick. I then fell on the floor and my mum tried to wake me up. The staff at the cinema called an ambulance. A doctor came with the ambulance and listened to my heart. I woke up and the doctor checked the rest of my body. He said I was fine but he also told me to go home and rest for two days.
