Scars to your beautiful (Alessia Cara)

She just wants to be, beautiful
She goes, unnoticed she knows, no _____
She craves, attention she praises, an image
She prays to be, sculpted by the sculptor

Oh, she don't see, the light that's _____
Deeper than the eyes can find it
Maybe we have made her blind
So she tries to cover up her pain
And cut her woes away
'Cause covergirls don't _____
After their face is made

But there's a hope that's waiting

for you in the dark
You should know you're beautiful

just the way you _____
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're _____

Oh-oh-oh-oh
Oh-oh-oh-oh

- are
- beautiful
- shining
- limits
- cry

And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful

She has dreams to be an envy, so she's _____
You know, covergirls eat nothing
She says, beauty is pain and there's beauty in everything
What's a little bit of hunger?
I could go a little while longer, she fades _____

She don't see her _____
She don't understand she's worth it
Or that beauty goes deeper than the surface
Oh-oh, oh-oh
So to all the girls that's hurting
Let me be your mirror
Help you see a little bit clearer
The light that shines within

There's a hope that's waiting
for you in the _____
You should know you're beautiful

just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful
We're stars and we're beautiful
