# GRADE 2 MATHEMATICS

## MEASUREMENT WORKSHEET

**Learner's name:** _____ **Date:** _____

**Instructions:** Read each question. Look at the pictures and write or circle your answers.

## ACTIVITY 1: LET'S LEARN ABOUT MEASUREMENT

Length tells us how long something is. Mass tells us how heavy something is. Capacity tells us how much liquid a container can hold.

Ruler

Scale

Measuring jug

## ACTIVITY 2: FILL IN THE MISSING WORDS

Choose from the words below:

| | | |
|---|---|---|
| **ruler** | **scale** | **water** |

1. We use a _____ to measure length.

2. A measuring jug holds _____.

3. We use a _____ to measure mass.

## ACTIVITY 3: LOOK AT THE PICTURES

1. Circle the longest object.

Pencil

Ruler

Eraser

2. Circle the object that is heavy.

Feather

Watermelon

Pencil

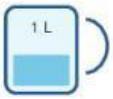
## GRADE 2 MATHEMATICS – MEASUREMENT

## ACTIVITY 4: TICK THE CORRECT ANSWERS

1. Which things can hold water? Tick all the correct answers.

Cup

Bucket



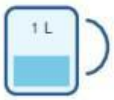
Jug

Ruler

2. Which tool measures length?

Ruler

Scale



Measuring jug

## ACTIVITY 5: CHOOSE THE CORRECT WORD

1. A feather is **heavy** / **light**.

2. A watermelon is **heavy** / **light**.

3. A swimming pool holds **more** / **less** water than a cup.

## ACTIVITY 6: MATCH THE OBJECT TO THE CORRECT UNIT

Choose from: **centimetres** **kilograms** **litres**.

Pencil

Bag of potatoes

Water bottle

1. Pencil: _____

2. Bag of potatoes: _____

3. Water bottle: _____

## ACTIVITY 7: LISTEN AND ANSWER

Listen to your teacher: "A small cup and a big bucket are full of water. Which container can hold more water?"

Answer: _____

**WELL DONE! You have finished your measurement worksheet!**

# GRADE 2 MATHEMATICS

## ACTIVITY 8: MEASUREMENT WORD SEARCH

Find and circle the five measurement words in the letter grid.

**Words to find:** LENGTH MASS LITRE RULER SCALE

| | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|
| P | L | E | N | G | T | H | I | V | Q |
| V | L | E | M | A | L | P | R | I | U |
| Z | O | M | A | S | S | W | U | T | H |
| R | A | V | T | E | O | L | L | F | K |
| L | G | B | S | G | C | Q | E | V | K |
| I | V | M | Z | C | A | B | R | V | Q |
| T | H | C | N | O | D | V | N | E | R |
| R | K | T | S | C | A | L | E | R | F |
| E | W | B | R | F | Q | C | M | T | N |
| V | T | P | P | T | M | R | A | U | X |

The words can go across or down.

**Well done! You are a measurement star!**
