We're Going to Be Ready!

Verse 1

Dark clouds are coming, rain is on the way,
We're going to get ready, starting today!
I'm going to check the weather forecast,
We're going to stay safe until the storm has passed!

Chorus

We're going to be ready, yes, we are!
We're going to be safe, near and far!
We're going to prepare, we're going to stay,
Safe from El Niño every day!
