"USED TO"

Remember!

- ✓ **"Used to"** expresses the idea of something that we often did in the past but we don't do anymore; a repeated action, a habit or a way of life in the past.
- ✓ We use it to contrast past habits with present situations.

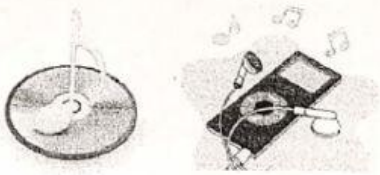
★ **Look at the pictures and write sentences comparing life in the past and in the present.**

Example:

PAST

In the past, people **USED TO collect** records.

PRESENT



Nowadays, people collect CDs and digital music.

FUTURE

In the future, people **will** listen to music through Wi-Fi.
