IN-FLIGHT SAFETY

Read the article. Choose the correct option to complete the tips.

TIPS

- In case of an emergency, you need to know where the **overhead bins/ emergency exits** are.
- If you sit in an exit- row seat, you have to **open/close** exit doors if there is an emergency.
- In case of **rain/ smoke** you need to cover your mouth and nose with a wet handkerchief.
- It is prohibited to use a **laptop computer/ cell phone** on a plane during the flight.
