Read the passage carefully, then choose the correct answers.

Josh is one of the gifted seventh graders at an international lower secondary school with over 800 students aged from 11 to 15. It also has modern facilities and well-qualified teachers, which can provide Josh and his friends with the best learning conditions. Josh has a great passion for science. He likes doing interesting experiments in the science laboratory under the guidance of his teacher. He finds these experiments about electricity or light quite useful and practical. The computer room is also a place where he often goes after class to search for necessary information about safe, funny and simple experiments on the Internet. He also does many science projects with his partners **there**. With great efforts, he hopes he will become a scientist in the future.

29. What is the passage mainly about?
    A. An international school with hundreds of students.
    B. A gifted student's dream.
    C. A good learning environment for a gifted student.
