Monster - Justin Bieber, Shawn Mendes

You/They put me on a pedestal and tell me I'm the best
Raise me up into the **moon/sky** until I'm short of breath (yeah)
Fill me **up/down** with confidence, I say what's in my chest
Spill my words and tear me down until there's nothing **left/right**
Rearrange the **parts/pieces** just to fit me with the rest, yeah

But _____ if I, what if I trip?
What if I, what if I _____?
Then am I the _____?
Just let me _____
And _____ if I, what if I sin?
And what if I, what if I _____? Yeah
Then am I the _____? Yeah
Just let me _____, yeah, yeah, yeah, yeah

I was **15/50** when the world put me on a pedestal
I had big **plans/dreams** of doin' shows and making memories (yeah)
Made some **bad/good** moves trying to act cool, upset by their jealousy (uh-uh)
Raising/Lifting me up (lifting me up), lifting me up (yeah)
And tearing me **up/down** (down), tearing me down (down, down), yeah
I'll take **responsibility/capability** (ooh) for everything I've done (yeah)
Holding it **behind/against** me (yeah) like you're the holy one, yeah

I had a chip on my **head/shoulder**, had to let it go
'Cause unforgiveness keeps them in **mind/control**
I came in with **good/bad** intentions then I let it go
And now I really wanna **understand/know**

Oh, please just let me _____, yeah
Baby, _____ if I fall down?

Please _____ let me fall
Oh, please don't let me _____
