

Unit -10 Natural Forces

A) Picture test

1-

- A) tornado
- B) flood
- C) earthquake
- D) avalanche

2-

- A) hurricane
- B) drought
- C) earthquake
- D) avalanche

3-

- A) landslide
- B) flood
- C) earthquake
- D) avalanche

4-

- A) hurricane
- B) drought
- C) earthquake
- D) avalanche

5-

- A) landslide
- B) flood
- C) earthquake
- D) avalanche

6-

- A) tornado
- B) flood
- C) landslide
- D) avalanche

7-

- A) toxic waste
- B) rechargeable batteries
- C) destroy forests
- D) renewable energy

8-

- A) toxic waste
- B) rechargeable batteries
- C) destroy forests
- D) renewable energy

9-

- A) water shortage
- B) abundant food
- C) suffer from food shortage
- D) natural disaster

10-

- A) Global warming
- B) Endangered animals
- C) Overpopulation
- D) Extinction of species

B) Match the words with their meaning

- 1- earth: A) yeryüzü B) kıta C) evren D) uzay
2- continent: A) yeryüzü B) kıta C) evren D) uzay
3- abundant: A) bol B) kıt C) seyrek D) nadir
4- universe: A) yeryüzü B) kıta C) evren D) uzay
5- flood: A) sel, su taşkını B) deprem C) çığ D) kasırga
6- hurricane: A) sel, su taşkını B) deprem C) çığ D) kasırga
7- drought: A) kuraklık B) deprem C) çığ D) kasırga
8- earthquake: A) toprak kayması B) deprem C) çığ D) kasırga
9- forest fire: A) sel, su taşkını B) deprem C) hortum D) orman yangını
10- avalanche: A) sel, su taşkını B) deprem C) çığ D) kasırga
11- landslide: A) toprak kayması B) deprem C) çığ D) hortum
12- tornado: A) toprak kayması B) deprem C) çığ D) hortum
13- natural force: A) kaza B) önlem C) doğal güç D) yardım
14- disaster: A) kaza B) önlem C) felaket D) yardım

C) suffer | shortage | global warming | earthquake | avalanche | flood

- 1-Heavy rain causes _____ in Marmara region.
2-An _____ is dangerous for mountaineers.
3-Because of _____, glaciers are melting.
4-Somalia people _____ from famine.
5-An _____ with 7.2 magnitude struck the city of Van in 2011.
6-Water _____ is a big problem in Africa.

D) What is it?

- 1-There is a shortage of water for a long time in a place
A) drought B) flood C) hurricane D) avalanche
2- People suffer from hunger.
A) famine B) abundance C) healthy D) rich

E) Newspaper headlines (flood – hurricane – avalanche – tsunami – drought)

- 1- destroys the houses in the seaside village.
- 2-No rain for a year. There is severe in the country.
- 3-Mountain roads closed because of a sudden
- 4- brings heavy rain and strong winds.
- 5- in Antalya. Water covers many houses.

F) questions about earthquake

- 1-Lower magnitude earthquakes after a high magnitude earthquake
A) main quakes B) aftershocks C) mainshocks
- 2- How can we measure the severity of an earthquake?
A) We can't measure it.
B) We just check the depth of the earthquake.
C) We use Richter scale

- 3- What is this?
A) mass
B) fault line
C) Richter scale

- 4- “The Disaster and Emergency Management Presidency of Turkey”
A) AFAD B) DSO C) KIZILAY D) SSK
- 5- fault lines
A) kenar çizgisi B) köşe çizgisi C) levha D) fay hattı
- 6- “The magnitude of the earthquake”
A) depremin derinliği B) depremin şiddeti C) levha D) fay hattı
- 7-The outer surface of the Earth consists of large of various sizes.
A) plates
B) fault lines
C) homogeneous mass
D) same geographical areas
