Dear Megan,

My visit to Jacksonville is coming to an end.
Yesterday **was my last day at Jacksonville high school. I´m going back home in a week. I´m sad to leave because American people was nice to me.**

Two weeks ago, **I was in Orlando. The hotel was near all the stores and it was very comfortable. The weather was really nice. And** ***last Saturday,*** **James and I visited the Sea World in Orlando. We were there all day! It was fantastic!**

Last year **I was in my country and I never thought this experience would change my life.**

What´s new with you? Write soon.

Love, Lucía
