1. What did the students do the evening before their trip?

a) They bought new walking boots and backpacks.

b) They checked the weather forecast.

c) They booked a local guide for the hike.

2. Why did Daniel ask to borrow Sofia's portable charger?

a) He wanted to download a map of the national park.

b) He had left his own charger at the bus stop.

c) His phone battery was nearly empty.

3. How did Sofia respond to Daniel's request?

a) She agreed and told him where to find the charger.

b) She refused because she needed it for her camera.

c) She said she had forgotten to pack it.

4. Why did Maya refuse Liam's idea to climb up the narrow trail?

a) They didn't have enough time before the bus left.

b) The rocks near the cliff edge were wet and unsafe.

c) Taking photos was not allowed in that part of the park.

5. What did the students do before leaving the waterfall area?

a) They went swimming in the mountain lake.

b) They picked up all their rubbish so as not to leave plastic in nature.

c) They climbed to the top of the eighty-metre cliff.

6. How did the students feel at the end of the day?

a) Disappointed because the weather had turned awful.

b) Very tired, but pleased with their trip.

c) Worried about getting lost on the way back.
