Valeria's New Apartment

Valeria lives in a small but comfortable apartment near her job. She is a graphic designer, and she works from home two days a week. In her old house, there are three bedrooms, so it is bigger than her new place. However, her new apartment is quieter and closer to the city center. In the living room, there is a soft gray sofa, a coffee table, and a big TV. There isn't a dining table, so Valeria eats breakfast at the kitchen counter. Next to the bedroom, there is a small home office with a wooden desk and a comfortable chair.

On Saturdays, Valeria doesn't work. She goes to a furniture store with her brother or looks for new lamps. Next weekend, she is going to invite two friends for dinner, and she thinks she will cook pasta.

1. What is Valeria's profession?

A) A nurse

B) A graphic designer

b) **Read the following text and decide if the statements below are True (T) or False (F).**

Hi Daniel,

Mondays are very busy days for me. I am a delivery driver, and I drive across town in the morning. At noon, I have lunch with my cousin Tomas. Tomas is a software engineer, and he is the tallest person in our family.
In the afternoon, I don't go home early because I have to deliver packages in the south part of the city. Later, I talk to my mom on the phone. She is going to visit me on Sunday, and I think it will be a fun day. If you are free on Sunday afternoon, come over for coffee!

Best,
Mateo
