It is cold in winter. It is frosty and snowy. Children put on their warm wool caps or hats. I am Jack.

I like winter sports. My brother Mike and I play snowballs, skate and sledge every day. I am wearing a brown fur coat and a red scarf. Mike is wearing a warm green jacket. We are wearing warm purple pants. I like my nice yellow mittens. But they are wet and my hands are cold. My brother is wearing good brown gloves. His hands are warm.

We like to play together.
