I. Read and complete the story using adjectives in the box.

windy	***hot***	***impatient***	***heavy***	***longest***	***cold***	***warmer***	***oldest***	***dark***

A stormy night

I was standing at the bus station with my sister. It was very 1) ***windy*** and 2) …….. . Both of us wanted to get home quickly and have some 3)…….... drinks. We waited for a bus for 2 hours and it got 4)……. outside. After we felt 5)……. , we decided to walk home. My sister is the 6)…… daughter in my family and she said to me not to be afraid. And we walked along the 7)…….. road I have never been on. Suddenly there was 8)……. rain while we were walking. I cried and said to my sister, "I'm cold and I want to get home". "Wear my coat! It will be 9)…… than yours", she replied. Then I wore her coat and we continued walking. When we got home, my parents were waiting for us outside of the house. We spent about 3 hours and it was the most frightening night in my life.

II. Read the text and label the pictures with the topic of correct paragraph. Write them.

LIVEWORKSHEETS

Unusual transport around the world

1. Monte Toboggan in Madeira

Monte toboggans were once the main mode of transportation for the local people. People used it to go downhill. Today, only tourists travel by this transportation to enjoy their trip. Two men push it to move.

2. Bamboo Train in Cambodia

Cambodian bamboo train is known as a nori. Passengers sit on a bamboo train which is powered by an electric generator engine. Its height is just inches above the railway tracks. Bamboo train travels at up to 40kilometres per hour. The fares are low and this is a once in a lifetime experience. Locals use them for getting around.

3. Ice Angel in Wisconsin

In Wisconsin's Apostle Islands, there is only one island where people live. It is the Madeline Island. You can visit this island from Bayfield by ferry during summer. In winter, when the ice is not strong enough to travel on it, the Ice Angels – ice boats with air propellers are used for service. But when the lake freezes, residents use this type of vehicle to travel to and from the island.

III. Read the text again and tick (+) the correct transport.

Which transport ...?	**Bamboo Train**	**Monte Toboggan**	**Ice Angel**
