The wrong suitcase

Last month, Harry went on holiday with his mum and dad. They went to a cheap hotel by the sea for a week. Harry was very happy because they were travelling by plane. It was Harry's first time in a plane. When they landed at the airport, Harry and his parents went to get their suitcases. His parents had a big red suitcase and Harry had a small one with black stripes.

Then they took a taxi to their hotel. Harry thought the hotel was excellent because it had a very big swimming pool. Harry wanted to go for a swim before he did anything else. He went to his room and opened his suitcase to get his swimming shorts. Harry was very surprised when he opened his suitcase. It was full of dresses! It wasn't Harry's suitcase! His mum found a name and phone number in the suitcase and she called the number. The woman on the phone said she had Harry's suitcase.

That afternoon Harry and his parents met the woman. She was very happy to get her suitcase back and she wanted to thank them. The woman was very rich and the next day Harry and his parents had lunch with her – on her boat! It was Harry's best holiday!
