My profile

Hi! How are you doing? I will tell you some things about me. My name is Bradley Cooper and I'm ten years old. I'm from California, but I live in Palm Beach, Australia. It's a one hour drive from Sidney. I live with my parents and my older sister Via. I'm a student at St. John primary school in Palm Beach.My favourite subject at school is P.E. I can run really fast.I also play basketball and surf, but I can't do it at school! I surf in the afternoons and on weekends.

I like to do many things. I listen to hip-hop and rock music.My dad doesn't like my music, so I listen to it in my room. I enjoy reading magazines and articles about sports, but I hate to clean my room! My mom thinks that I am very untidy, so she says that I can have free time if I clean up my mess!

My family always says that I will be a great P.E teacher someday. They often talk about how reliable and cheerful I am. I agree with them, but I can get really angry when I don't like something.For example: when people speak to me in the morning.

Anyway, I have to go! I have a really important exam in a few minutes, and I think I will do it great!

Bye!

Bradley.
