1 – Read the opinions about summer jobs and complete them with one of the following words. Then match each skill with the icon below:

devices	skills	concentration	work experience	reason	entertainment	teamwork

"A summer job can be a great experience for several reasons. Firstly, it provides an opportunity to gain _____ and develop important _____ such as flexibility, time management, communication, and _____. Secondly, it can help students earn money to contribute towards their education or personal expenses. Additionally, a summer job can also provide valuable opportunities and insights into potential career paths." **Sarah, USA**

"In my country about 30% of teenagers work part-time. The main _____ they work is to buy clothes and electronic _____. I know that only few of them have to work to make money for college and the majority of students want to spend their own money just on _____. In my opinion, if you want to do something well, you can't do two things at the same time. School statistics show that students who have worked in summer don't have enough time to rest. Back in school, they often have _____ problems in lessons, so their grades drop. They also have less social life." **Fumiyo, Japan**
