A day in the life of a police officer

Brad is an American police officer. Every day Brad wakes up at 5:00 o'clock, but he gets up at 6:10. Then he goes to the bathroom and he usually shaves. After that, he always has a shower, he irons his uniform and gets dressed. At 6:30 he usually has breakfast, sometimes he eats fruit with yoghurt and granola. He often drinks coffee and milk.

He leaves the house at 7'oclock every day. He sometimes goes to work by car, he is never late. It takes him 30 minutes to get to work and starts work at 7:40. When he arrives at the station, he usually has another coffee and he always gets updates of the previous night. He sometimes checks his e-mails and passes the report to the radio station. After that, he checks his equipment to start work in the streets. He seldom has lunch at 12 o'clock.

After lunch he sometimes goes out to the roads to work. There he monitors the roads, help people in accidents, writes tickets and arrests thieves.

He loves to be a policer officer; he says that being a police officer is a difficult job. But it is always rewarding.
