Finding your way

Yesterday, I the airport. I decided to use side roads and go the village of Pensford, but I took the wrong just before I got there, and I in a supermarket car park. Fortunately I was able to someone , and a very kind woman me to the A38, where I could then follow for the airport.

1 didn't know where I was

2 while I was going to (the airport)

3 go through somewhere to get to a destination

4 corner where one road meets another

5 found myself in a place I didn't expect to be in

6 ask how to get to a place

7 told me how to get to a place

An accident

I saw an this morning on the into town. A – a young boy – stepped off the and into the road just as a car was . The driver , but the car and a on the opposite side of the road. Fortunately the driver wasn't but both cars were quite badly .

1 important road

2 a person walking

3 the place where pedestrians walk

4 coming closer

5 put his foot on the **brake** to stop the car

6 changed direction suddenly and

without control

7 a car next to the pavement, not moving
