A- READING COMPREHENSION

CANADA DAY

Canada Day is on 1 July. Every year on this day, Canadian people celebrate the start of their country in 1867. There are celebrations in every town and city in Canada. It's a holiday, so people don't work on Canada Day, and students don't go to school. A lot of people call it 'Canada's birthday'.

The day usually starts with a big breakfast. Later there are parades and dancing in the streets. A lot of people play sports in the parks on this day, too. In the evening, people don't usually have dinner in their houses – they have a barbecue in their gardens. At night a lot of people go out to city squares to watch fireworks or listen to music.
