Atikah School

Grade 7 – Lesson 11.1

Plate tectonics

Essential Questions

1. Who do natural processes change Earth's surface over time?

New Vocabulary

English Word	Arabic Word	English Definition
Plate tectonics		
Continental drift		
Convergent boundary		
Divergent boundary		
Transform boundary		
Subduction zone		
Compression		
Tension		
Shear		

Q: What are the three forces changing Earth's surface?

Science Teacher: Layla Al Oraimi
