Song: She

Listening Activity

Listen & click on the the correct option

She may be the face fase I can't forget
The trace place of pleasure or regret
May be my treasure or the price I have to pay
She may be the song that summer rings sings
Maybe the chill chilly that autumn brings
Maybe a hundred different things
Within the measure of on a day
She may be the beauty or the best beast
May be the famine or the feast fist
May turn each day onto into a Heaven or a Hell
She may be see the mirror of my dreams
A smile reflected in a stream scream
She may not be what she may sin seem
Inside her shell
She, who always seems so happy in a crowd
Whose eyes can be so private and so found proud
No one's allowed to see them when they cry
She may be the love that cannot hope to fast last
May come to me from shadows shallows
in the past
That I remember 'till the day I lie die
She maybe the reason I survive
The why and therefore wherefore I'm alive
The one I'll care for through the tough rough
in many years
Me, I'll take her laughter her fears tears
And make them all my souvenirs
And where when she goes I've got to be
The meaning of my life time is
She, she
Oh, she
