Lesson 38 Date: Name:.....

1 **Match the words to the definitions.**

1 sew …***B***…
2 recycle ……
3 rebuild ……
4 mend/fix ……
5 customise ……
6 design ……

A to repair something
B to join things together (usually on clothes)
C to change something in the way you want
D to plan something you will make or do later
E to build something again
F to use something (e.g. plastic) again

2 **Choose the correct options.**

1 I need to *mend / sew* my shoe. There's a hole in it.
2 Do you know anyone who can *recycle / fix* a computer? My laptop isn't working.
3 Some companies want to *design / recycle* old plastic and make it into new products.
4 Can you help me *mend / sew* a button on my shirt?
5 Because of the earthquake, we need to completely *create / rebuild* the town.
6 It's possible to *customise / rebuild* the software after you buy it, so it's exactly how you want it.
7 When you *create / sew* something, you make something new that didn't exist before.
8 It's important to *fix / design* something before you start making it, so you know how it will look.

3 **Complete the definitions with the words.**

1 to say something happens before everything else: ……*first*……
2 to say something happens after another thing: l……, n……, t……
3 to say something happens last: ……
4 something happens which you don't expect: ……

4 **Complete the text with words from Exercise 3. Sometimes there is more than one possible answer.**

LIVEWORKSHEETS

I wanted to make a blog with lots of photos of my holiday. So **1**……*first*……, I went online and found some nice designs that I could use. **2**……, I chose the one I liked best. **3**……, I uploaded my photos. **4**…… I put some information next to each photo.
I stopped working on my blog for a few days. I was walking in the street, when I **5**…… had a message from my friend. He really liked my blog, and so did all his friends! **6**…… that day, I checked my blog again. It had had over 200 visitors!

5 **Choose the best options.**

A: I like your shoes. They look really different.
B: Yes, I **1**…… them myself. I **2**…… them, and chose all the colours myself.
A: How did you do that? I didn't know you were so **3**……!
B: It's easy. First, you go online and **4**…… the style you want. **5**…… you just order it, and finally it arrives! And do you know what they're made of? Plastic, from the sea!
A: Wow! They **6**…… plastic to make shoes? That's a good idea. Next time I buy new shoes, I'll **7**…… a go at making my own, too!

1 A rebuilt **B** <u>customized</u> **C** fixed
2 A mended **B** designed **C** sewed
3 A talented **B** thoughtful **C** silly
4 A recycle **B** fix **C** create
5 A Finally **B** Suddenly **C** Then
6 A recycle **B** fix **C** create
7 A make **B** give **C** have
