HAVE GOT

We use have got to talk about things that belong to us.
Have (without got) is also common in American English.
We often use the short form of have got ('ve got) and has got ('s got).
We use have/has got + a/an + noun to talk about one thing (= singular),
Ed's got a pet dog.
I haven't got a TV in my bedroom.

have got + some/any
We use have/hos got (+ some or a number) + noun to talk about more than one thing (= plural).
I've got some pictures on my bedroom wall.

For negatives, we use haven't/hasn't got + any + plural noun to talk about more than one thing.
