7 CLASS 1 LESSON **The Town mouse and the Country Mouse**

Name: Class: Rl.No:

See page no. 9 in your Textbook

III. Read the following sentence from your lesson and identify the underlined expression.

He nibbled at the root and the sugar-cane. The expression *sugar-cane* is a compound noun. It is a combination of two nouns.

sugar + cane = sugar-cane

Now read your lesson and pick out at least two compound nouns.

Let's form some compound nouns now.

Join each word in column –A with a suitable word in column – B to form compound nouns. The first one is done for you.

Write your answer in the given box

Column – A	Column – B	Compound Word
birth	cycle	**birthday**
door	bell	_____
fire	kerchief	_____
hand	light	_____
moon	shine	_____
motor	way	_____
sun	wood	_____
gate	day	_____
