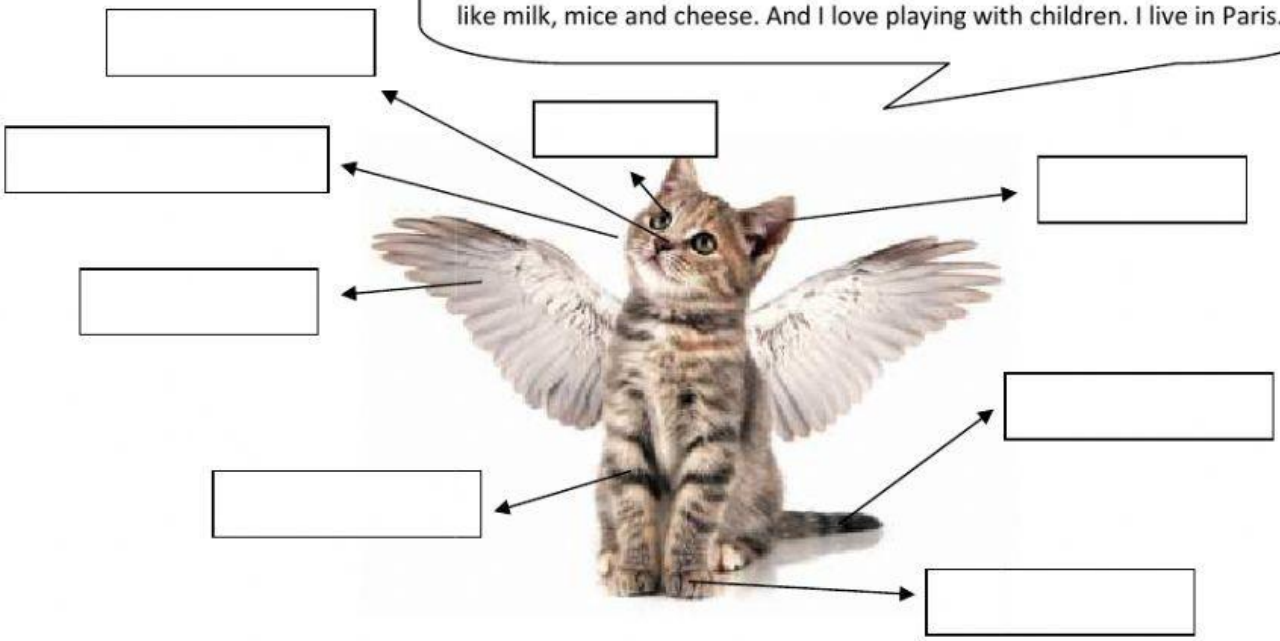
Describing an animal

1) Parts of the body :

Hi ! My name is Max. I'm small. My body is white, black and brown. I've got a small nose and small feet. But I've got a long tail and I've got big wings! I've got 22 white whiskers (= a whisker is a touch receptor, it's a sort of radar). I'm a special cat because I can run, jump and I can fly ! I like milk, mice and cheese. And I love playing with children. I live in Paris.



2) Match the animals with the correct descriptions :

I'm brown and friendly. I can jump, but I can't swim and I can't fly. I live in Australia. (1)

I'm green. I can jump and I can swim. But I can't fly. I like eating insects. I live in a pond. (2)

I can fly and sing. But I can't swim. I live in the tropical forest. I've got beautiful feathers. I like eating insects. (3)

I'm green. I can crawl, swim and jump. I've got a long red tongue and dangerous teeth. (4)

I've got a very long neck and long legs. But I've got a small tail. I live in Africa. I can walk and run. I can't swim. (5)

I've got brown fur and a long tail. I can jump and climb trees. I can't swim. I live in a zoo. I'm very funny and friendly. I like eating bananas. (6)

I can spin a web and I can crawl. I eat insects. I live in a cupboard, next to the fridge. I have two dangerous fangs to kill my victims (just like vampires!) (7)
