Word Skills

Prepositions of time

I can use a variety of prepositions of time.

1. Write AT/ON/IT

HOME EDUCATION

Liam Brown lives with his mum on a small island in Scotland. They live a long way from a town, so Liam doesn't go to school. His mum teaches him at home.

'I have lessons from Monday to Thursday. Mum lets me sleep until nine in the morning and we start lessons [1]_____ ten, after breakfast. The kitchen is my classroom and the kitchen table is my desk! We have a break at 11.30. During the break Mum lets me play computer games! My mum always gives me homework. I usually do it before dinner. [2]_____ Fridays we travel to a city and visit museums and art galleries. I don't meet other children very often so I also go to a badminton club there [3]_____ the afternoon. [4]_____ the weekend I don't have lessons. [5]_____ Saturday mornings I play tennis with my dad or we sometimes go walking. I study all the usual subjects and I take national exams. My next exams are next year. I think they're [6]_____ June. I have the normal school holidays in the summer, and I don't have school [7]_____ 20 September – that's my birthday!'
