
My name is Chuckie and I'm eight years old. I've got short red curly hair. I've got short arms and legs. I'm not tall and I can't see very well. I always wear big purple glasses. Oh, but my ears are big and I can hear everything. I've also got two big teeth and a small nose. I haven't got a beard and I haven't got a moustache. My grandpa has got a big white beard. He looks like Santa Clause and he is also funny. I am wearing a blue sweater with a planet on the chest.
