

DANGEROUS AUSTRALIAN ANIMALS

1/ First, watch these videos

2/ Try to find the right animal for each picture: write the number next to the animal's name

stonefish

redback spider

blue-ringed octopus

taipan

tiger snake

box jellyfish

funnel-web spider

3/ Now listen to this song and complete the lyrics

Introduction (with an ironical touch !)

Thanks very much. Well, the Australian tourist Commission has asked us to come up with* a song that we can perform overseas. A song to help bring the tourists back to Australia. That's right, so we focused on the wonderful wildlife and the fabulous fauna that Australia has to offer!

*to come up with = créer

Redback, Funnel-Web, Blue-ringed octopus
Taipan, Tiger snake and a Box jellyfish
Stonefish and the poison thing that in a shell
That spikes you when you it

CHORUS

.....
You might

Your 's constantly under threat
..... bitten ?
You 've only got left
..... a massive coronary breakdown

Redback, Funnel-Web, Blue-ringed octopus
Taipan, Tiger snake and a Box jellyfish
Big just waiting for you
At Bondi

CHORUS

Your is bound to be spilled
With your pants filled
Because
