Hi Susie,

Here's a photo of Dan's birthday party for you. We're in the garden because it's a barbecue.

That's Dan's aunt next to the barbecue. She's cooking burgers. Dan's uncle is standing next to her. He's giving her some water because she's hot.

That's Dan's brother near the table. He's talking to some friends. On the table there are some crisps and biscuits. Dan and his friends are eating crisps.

Dan is excited. His mother is giving him a present. Dan's father is happy. He's got a new phone. He's taking photos with it. Dan likes his present very much – it's a guitar!

I hope you like the photo, Susie.

Love,
