Subject: Volunteers for 'Food of Love' Event

Dear Students,

We will be partnering with Golden Harvest, a non-governmental organization, for our annual 'Food of Love' event which will be held on Wednesday, 29 January 2020 from 9 a.m. to 3 p.m. We will be distributing donated food to the homeless around Brickfields, Rawang and Selayang.

If you are interested in volunteering for the event, please respond with an email stating your commitment to the programme. It is understood that classes are in session, so volunteers will be assigned to service the community in shifts. Transport will be provided and the bus will be leaving every hour from the campus café.

1 Mazlan sent the email because he is looking for

A donors to provide food for the homeless
B students who have a desire to serve others
C people to organize the annual 'Food of Love' event

LIVEWORKSHEETS

2 Mazlan says that students who are interested are required to

A skip several classes

B find their own transport

C confirm their attendance

Exercise 4 *Reading for main ideas and supporting details / Inferencing*

Read an extract from an email.

Answer questions **1** *and* **2** *based on the extract.*

Subject: Study Skills Workshop

Dear Students,

We are glad to announce that the popular Study Skills Workshop by Dr Nur Haslina is back. Participants of the previous workshop testified that they learnt useful skills such as time management, academic writing skills and critical reading strategies, besides gaining insightful tips on stress management and research skills. The workshop will be held on Friday, 29 May 2020 from 10 a.m. to 5 p.m.

Do not miss out on this great opportunity. Register now by clicking on the link provided below or at the faculty office. It is free of charge and participation is limited to 30 seats on a first come, first served basis.

1 The purpose of the workshop is to

A allow students to pick up useful study skills

B encourage students to share their study strategies

C prove how important it is to have the right study skills

2 To reserve a seat, students have to

A pay a nominal fee

B register as soon as possible

C contact the workshop organizer
