LIVEWORKSHEETS

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

Living in a bustling city offers many advantages, but it also comes with its own set of challenges. One common issue is the presence of leftover waste on the streets, which can create an unsightly environment and attract pests. To combat this, city officials often implement strict waste management policies to encourage proper disposal of garbage. Another problem in cities is keeping clean in crowded areas. Because many people live close together, it's crucial for everyone to focus on hygiene to keep everything clean and avoid sickness spreading. Washing hands often and keeping homes tidy can help with this problem. Regular cleaning of public places, like parks and transportation, is also important. Additionally, city dwellers may experience discomfort such as itchy eyes and respiratory problems due to air pollution. Investing in air purifiers and wearing masks when going outdoors can provide some relief from these symptoms. Planting more trees and using public transportation instead of personal cars can also help reduce pollution.

Despite these challenges, many people are drawn to city life for its opportunities and excitement. However, it's essential for residents to be mindful of the drawbacks and take steps to **mitigate** them for a healthier and happier urban experience.

Question 31. What is one of the common issues faced by bustling cities?

A. Lack of entertainment options
B. Leftover waste on the streets
C. Too many green spaces
D. High levels of unemployment

Question 32. How do city officials address the issue of leftover waste?

A. By attracting more pests to the area.
B. By encouraging people to leave it on the streets.
C. By hiring more people to solve it.
D. By implementing waste management policies.

Question 33. Why is maintaining personal hygiene important in crowded urban areas?

A. To reduce living expenses.
B. To decrease air pollution.
C. To prevent the spread of illnesses.
D. To attract more pests.

Question 34. Which sentence is NOT TRUE according to the passage?

A. City dwellers never experience discomfort such as itchy eyes.
B. Air purifiers can provide relief from discomfort due to air pollution.
C. Many people are drawn to city life despite its challenges.
D. It's crucial for everyone to focus on hygiene to prevent the spread of sickness.

Question 35. What does the word "**mitigate**" mean in the context of the passage?

A. increase
B. extend
C. improve
D. reduce

Question 36. What is the main idea of the passage?

A. The opportunities and excitement of urban living.
B. Advantages of living in the city.
C. C. The attraction of city life to people.
D. Challenges and benefits of urban living.
