LIVEWORKSHEETS

III. Read the text and choose the correct answers.(5marks)

My field trip

Yesterday was my school's trip. We were in a national park. There was a lake, and two mountains behind the lake. There was an island in the lake. There was a beach by the lake. It was very long. There was a hill on the island. On the hill, there were two short trees. There was also a forest near the lake. In the forest, there were some animals. There were some birds, and there was even a snake. It was a fun field trip.

1. **There was/were two mountains behind the lake.**
2. **There was/were an island in the lake.**
3. **The beach by the lake was/were very long.**
4. **On the hills the trees was/were short.'**
5. **It was/were a fun trip.**

Good luck!!!!
