My school day

Every day I walk to school. It isn't very far. I leave my house at half past eight and I arrive at ten to nine.
Our first lesson starts at five to nine. We stop for lunch at quarter past twelve. I bring a lunch box from home. We don't have to bring a lunch box; we can eat lunch in the canteen.
After lunch I play with my friends in the playground. Lessons start again at one o'clock. School finishes at ten past three. Sometimes I have lessons after school. On Mondays I have a guitar lesson at quarter to four. On Thursday's I have a swimming lesson at half past five. Some days I have to go shopping with my mum.
