

How I Spent My Summer

Hi Cristian,

Thanks for your last e-mail. How are you? Now, in Britain is summer and I'm going to Scotland. It's very sunny and warm here. How is the weather like there now? Which season it is?

I want you to tell me about your last summer. Did you travel? Where did you stay?

What did you do on rainy days?

Well, I have to go now.

Best wishes,
Patrick.
