Read the text carefully and fill in the blanks with the correct answers.

Last Sunday, Jay went to the library with his brother, Adam. It was their first time coming out after many months. They were both very excited, especially Adam. Adam shouted when he entered the library.

'Shhh, Adam! See the sign there, you need to be quiet when you are in the library.' Jay explained. Jay put his finger on his lips. Adam followed him and kept quiet.

'What does the other sign mean?' Adam asked.

'It means do not turn on mobile phones.' Jay answered. Adam quickly turned off his mobile phone. Jay and Adam loved Science very much. They wanted to be scientists when they grew up. They spent their whole afternoon reading Science in the library. Suddenly, Adam's stomach started growling and he took out a bag of biscuit he brought along. Jay immediately stopped him from eating.

'Adam, we're not allowed to eat or drink in the library. Let's go home since you're hungry.' said Jay. They went home together after borrowing two books related to Science.
