Alone

by Alan Walker

Lost in your mind
I ..... know
Am I losing ..... mind?
..... let me go

If this night is not .....
At least we are together
I know I'm not alone
I know I'm not alone
Anywhere, whenever
Apart, but still .....
I know I'm not alone x4

Unconscious mind
I'm wide awake
Wanna feel one last .....
..... my pain away

wanna
forever
never
time
my
take
together
