You walked into the party
Like you were walking onto into a yacht
Your hat strategically dipped below one your eye
Your scarf it was apricot
You had one eye in the mirror
As you watched himself yourself gavotte
And all the girls dreamed that they'd be your partner
They'd be their your partner and
You're so vain
You probably thought think this song is about you
You're so vain
I said bet you think this song is about you
Don't you, don't you, don't you
You had me several years fears ago
When I was still quite naive
Well you said that we made such a pretty pair hair
And that you would never ever leave
But you gave away the things you love loved
And one of them was me
I had some dreams they were
clouds clothes in my coffee
Clouds in my coffee and

You're so vain
You probably think this song is about you
You're so vain
I bet you think this song is about you
Don't you, don't you, don't you
I had some dreams they there were clouds
in my coffee
Clouds in my coffee and
You're so vain
You probably think this song is about you
You're so vain
I bet you think this song is about you
Don't you, don't you, don't you
Well I hear you went up out to Saratoga
And your horse naturally won
Then you flown flew your Learjet up to
Nova Scotia
To see the total eclipse of from the sun
Well you're where were you should be all the time
And when you're not
You're with some underworld spy or the
wife knife of a close friend
Wife of a close friend
And you're so vain
You probably think this song is about you
You're so vain
I get bet you think this song is about you
Don't you, don't you, don't you
