IV. READING

Read the passage and then decide whether the sentences are True (A) or False (B)

Most crowded cities in the world

Two Indian cities – Mumbai and Kota – have been named among the world's most crowded in a list topped by Dhaka, said the World Economic Forum (WEF), citing UN- Habitat data.

With a population density of 44,500 people per square kilometer, Dhaka, the capital of Bangladesh, is the most crowded city on the planet, followed by India's financial capital Mumbai, home to 31.700 people per square kilometer at the second place.

Kota in Rajasthan with 12,100 people per square kilometer was ranked seventh. More than half of the world's population currently lives in urban areas and the United Nations (UN) expects that proportion to increase to 66 percent by 2050, with close to 90 percent of the increase concentrated in Asia and Africa.

(Adapted from www.timeofindia.indiatimes.com)
