Look a t the picture and choose the HFW
that you find in the story.

"Surprise!" George's friend said. "We will be helping the museum scientists dig for dinosaur bones!"

George was curious. Were there really dinosaurs buried in the quarry?

He ran over for a better look.

The man with the yellow hat led the way through the museum. George wanted to stop and look at the dinosaur bones. But his friend kept going, so George kept following.

Finally they walked right out the back door!

"Today is a special day," George's friend said. "We are going to do something very interesting!"

George was curious. What could be more interesting than a trip to the Dinosaur Museum?
