PASSAGE 1: Questions 11-15: Read the passage about the writer's workplace and answer each question with NO MORE THAN THREE WORDS from the passage.

I work as an automobile engineer in an automobile manufacturing company headquartered in San Bruno, California, United States. My workplace is an office in a big building. It's a busy place where people work together. Inside, there are desks and chairs where we sit and work. Each desk has a computer and a phone. There are also printers and scanners in the hallway for us to use. My desk is near a big window, and I have a computer and a phone on it. There are some shelves behind me where I keep books and papers. Every morning, we have meetings in a big room with a long table and chairs. We use a modern projector in the meeting room for showing presentations. The office has big windows that let in lots of light. The office is always busy with people talking on the phone and typing on their computers. Sometimes, there's classical music playing in the background. Overall, my workplace has everything they need to do their job. It's a busy and productive place where everyone works together as a team.

many pictures. We visited the Tower of London and saw the Crown Jewels. We also rode on the big wheel called the London Eye, and the view was amazing! We spent a day in Hyde Park, where we had a picnic and relaxed in the sun.

One of the best parts was trying different foods. We ate fish and chips, which is a famous British dish, and it was delicious! We also tried a traditional English breakfast with eggs, bacon, and beans.

At night, we went to see a musical in the theater. It was so fun to watch and sing along. We also went to some cool clubs and danced until late.

London was such an exciting city, and we had the best time exploring it together. We stayed in a hostel and made lots of new friends. It was a trip we'll always remember, and I hope we can go back again one day!
