4 The boy thinks that computer games can be good for your brain. _____

2 Przeczytaj tekst i odpowiedz na pytania.

Computer Game Jobs

Many people all around the world enjoy playing computer games, but for some of them, it's more than a game – it's a job. Let's take a look at some computer game jobs that people have.

In Melbourne, Australia, a girl is playing a computer game. As she plays the game, she talks about it online. Lots of people want to watch her because she's good at playing games and she's also very funny. Now she has 100,000 **subscribers** – people who pay money to watch her.

In Tokyo, Japan, a 16-year-old boy has designed a new computer game about animals in a zoo. He is now selling his game as an app. His game is exciting and fun but it's also **educational**. It tells people about different kinds of animals and has got an important **message** about the environment.

In Manchester, England, a twenty-year-old girl has got a new job as a computer game tester. She has to play a new computer game and check that it works. She makes a list of any mistakes she finds in the game. She also has to answer some questions about the game – Is it exciting? Do you want to buy it? How can it be even better?

So what about you? Do you want to get a computer game job in the future?

1 What does the Australian girl do while she's playing the computer game?
_____

2 Why do people like watching her play the game?
_____

3 What is the Japanese boy's new computer game about?
_____

4 How is his game educational?
_____
_____

5 What does the English girl put in the list?
_____

Glossary
educational – edukacyjny
message – wiadomość
subscriber – subskrybent
