Unit 5: TECHNOLOGY AND YOU

Well, I wasn't worried when my son bought a computer. After all lots of children have parents who don't **(1)**_____ computers. But when my secretary asked me for a computer in the office, I really became **(2)**_____. So I decided to take some lessons in **(3)**_____ and my son became my teacher. He was very **(4)**_____. He invited me to sit down in front of the computer screen. I did not know what it was **(5)**_____. When asked him what it was, he said that it was a VDU. I still didn't know what a VDU was, but I was too **(6)**_____ to ask him any more. From that moment my **(7)**_____ refused to learn because he told me a lot of things that I really didn't understand at all. After a few lessons I began to feel tired. I made an excuse, saying that I had a headache. I **(8)**_____ we should leave the lesson for another day. Since then I haven't said anything about the computer to my son and my secretary.
