Building Arguments

Khi tranh biện, em cần xây dựng được những lập luận thật rõ ràng. Trước tiên, em phải chọn được các lập luận hỗ trợ tốt cho lập luận chính của mình. Sau đó, hãy tìm những dẫn chứng củng cố cho từng lập luận hỗ trợ đó. Cuối cùng, em cần giải thích vì sao lập luận của đối thủ lại không đúng. Đó gọi là phản biện.

Main Argument

Children should help their parents do chores.

Answers: p 108

I'm sure that kids should do chores! 02

To me, kids need to help do chores. Kids share their home with their parents and are part of the family. So it is only fair that they help their parents keep the house clean. When kids make a mess, they should be responsible and clean it up. Children will feel proud of their work and will do more to keep the house clean.

Summary Cindy believes that children should be _____ and work to keep the house _____.

That's not what I think! Kids don't need to do chores. 03

Kids should not do chores, and here's why. Parents' jobs are to take care of their kids. This means they should give them food, clothes, and a clean place to live. In other words, parents must be in charge of doing chores. Children need to focus on their schoolwork and making friends. These are more important than doing chores.

Summary Evan says that it's parents' _____ to do chores while kids need to focus on their _____.
