"Left Outside Alone"

All my life I've been .....
For you to bring a fairy tale my way
Been living in a ..... without meaning
It's not okay I don't feel safe
I don't feel safe
Left broken .....in despair
Wanna breathe can't find air
Thought you were sent from up above
But you and me ..... had love
So much more I have to say
Help me find a way
And I ..... if you know
How it really feels
To be left .....alone
When it's cold out here
Well maybe you should know
..... how it feels
To be left outside alone
To be left outside alone
I tell ya..
All my life I've been .....
For you to bring a fairytale my way
Been living in a ..... without meaning
It's not okay I don't feel safe
I .....to pray
Why do you play me like a .....?
Always someone else to blame
Careless, helpless .....man
Someday you might understand
There's not much more to .....
But I hope you ..... a way
